<https://www.ausvenueco.com.au/responsible-service-of-gaming-policy-2/>
29. Only you can decide how much time and money you want to spend on gambling. You should spend only what you can afford to lose. Take a break from your gaming machine from time to time.
30. Gaming machines and games are products of chance and randomness and there is no guarantee that you will achieve the winning outcomes any of the time.
31. While gaming machines are programmed by the government to return between 85—92 per cent to the player, the player return rate is not an outcome of a single game but an average of many games on that machine over a period of time.

32. You cannot 'confuse' or 'trick' gaming machines to produce winning outcomes by playing at certain times of the day, touching the machine in a certain way, changing the speed of play or changing bet levels.
33. Always gamble responsibly. Gambling Helpline 1800 858 858 or visit www.gamblinghelponline.org.au.
